Dear Parent/Guardian,

Your child has the unique opportunity to participate in a **WolfTree Watershed Science** program through their school. This includes both classroom and field based components. WolfTree is a nonprofit organization that provides award-winning education programs for Pacific Northwest youth.

The following items are a requirement for participation:

- ❑ **SIGNED WOLFTREE PERMISSION FORM.** This may be in addition to a school permission form.
- ❑ **PACKED LUNCH & DRINK.** Outdoor scientific field studies require lots of energy. Please pack a big healthy lunch including a full water bottle.
- ❑ **APPROPRIATE OUTDOOR CLOTHING & FOOTWEAR.** We strongly recommend students dress in layers and bring a small backpack to hold clothes that they shed throughout the day. Bringing an extra pair of socks for cold and/or wet feet is a good idea.

If you have any questions about the field trip or would like to join us as a chaperone, please contact your child's teacher. To learn more about WolfTree, visit our web site at www.beoutside.org.

Warmly,

The WolfTree Staff
